GUIDANCE NOTES

Application Form with Notes

Before making an application, we advise that you take time to read the form and its notes fully, taking care to ensure that your project meets the criteria.

These notes tell you things you need to know in relation to the overall scheme. You will find useful notes throughout the form, which are designed to help you in your answers. Please read these before starting to fill in the form. The application will not be taken forward to a BRF Committee Meeting without all the required information; incomplete applications will be put on hold until all information has been received.

Once received your application will be considered at the next appropriate BRF Committee meeting. Your Branch Secretary will keep you informed about your application's progress, and when it is likely to be considered by the BRF Committee. For further information, please see our Step by Step guide.

Grants Process – Step by Step Guide

1

A completed Application Form and supporting documentation is forwarded by the applicant to their Branch Secretary, who acknowledges receipt and submits the application to the Guild Secretary.

2

An initial eligibility assessment is carried out by the Guild Secretary. If the application is not eligible in accordance with the BRF Rules, a reject letter is sent to the Branch Secretary who advises the applicant that the application does not meet the criteria of the BRF.

If the application falls within the Rules of the BRF, The Guild Secretary acknowledges receipt of the application to the Branch Secretary. The Guild Secretary may request any further information, if necessary. When all requested information is received and the application is ready to be assessed, the Guild Secretary will email the Branch Secretary advising when the application will be assessed by the BRF Committee.

3

A copy of the application and supporting information will be emailed by the Guild Secretary to the BRF Committee for consideration prior to the next Committee Meeting.

4

A full assessment will be carried out by the BRF Committee and the decision recorded in the meeting minutes.

5

The decision of the BRF Committee will then be conveyed by the Guild Secretary to the applicant and Branch Secretary in writing, enclosing an End of Grant Claim Form and Statement of Satisfaction. Copy correspondence will be forwarded to the BRF Administrator.

6

Once the project has been completed an independent inspector from the relevant Branch of the Guild will inspect the work undertaken and complete the Statement of Satisfaction.

7

The applicant submits the Statement of Satisfaction and receipted invoice to the Guild Secretary, who forwards this onto the BRF Administrator for payment.

8

A Final Grant Payment Letter and cheque for the agreed amount is sent by the BRF Administrator to the applicant.
