

Do not miss the legendary
Central Branch

at 7.00pm on Saturday 14 November 2020

This year socially distanced by courtesy of Zoom and
Breakout Rooms

So now is the time to rally your team members and get ready for the **BIG QUIZ NIGHT!** If you're new to bellringing, don't worry there won't be any bellringing related questions - it's all general knowledge.

One thing we unfortunately can't do via technology is the usual faith supper. However, we will be having a break half way through the quiz so bring a drink along with you and don't forget to have your own supper ready to munch.

As in previous years, Mick and Betty Stracey will be the question masters and Sandra Underwood will be looking after the technical side, so all you need to do is to connect to Zoom on the night using the below link and we will look after the rest.

<https://us02web.zoom.us/j/85335773986?pwd=c09pbDh3bVBnQIZUbnI3c2RLZngwZz09>

This is how to connect to Zoom:

If you already have the Zoom app on your PC, **click on the link** and then **Launch Zoom Meeting**

If you **don't have** the Zoom app, click "download and run Zoom. An executable file will download which you need to run. In Chrome this appears bottom left of your screen, and if using Edge, you will see a box appear at the bottom of your screen – just click on **Run**

You do not need to register with Zoom to join the meeting

Zoom will then install and you will be joined to the meeting.

If prompted, click “**enable internet audio**”, and make sure your webcam is enabled and your mic isn't muted so we can see and hear you.

If you need help with any of the above, please call Sandra Underwood on 07710 772458 who will be pleased to help.

We look forward to seeing you at the Quiz.

Best wishes.
