

Virtual Central Branch Practice

Saturday 8th May start time **7.30pm**

(virtual) Saint Germain, Scothern Tower 6, 11cwt

Though pressing the key does not feel like you are ringing a bell, trying to press and ring at the correct time in Ringing Room feels like you are exercising those "little grey cells" and it is a team effort.

This practice will cater for all abilities from rounds upwards, so don't be shy, come and join us online via the following links:
