A very large congregation of family, friends & ringers joined together at Crowland Abbey to give thanks and celebrate the life of Ros Knight, Elloe Deaneries Branch Treasurer. A band of Crowland ringers rang half muffled bells before the service. Many friends stayed to ring on open bells after the service and joined Ros's relatives & friends later at the Crown Inn. 18 + ringers braved the cold to join in the annual Open Ringing event at Surfleet Church. Four of the branches were represented CC were rung on all 12 bells as well as Grandsire Doubles and Stedman Triples. Hot coffee & snacks in the nearby Fraiser Room warmed cold fingers and toes at staggered intervals. The hot meal, served by Annette and the team at St Laurence's, was enjoyed by over a dozen ringers who elected to stay and join the friends of Surfleet church. What an amazing feat it was by Annette and her team, who served in excess of 50 hot lunches from a new, extended kitchen, still under construction with cupboards, units and appliances still to be delivered and fitted.

If you have a local C of E school and are looking for new recruits, it would be a good idea to make contact with the Headteacher and ask them to try to book the Six bell simulator for their pupils.**
