

Central Branch Ringing Practice

Saturday, 9 October 2021

at

All Saints, Ruskington (2.30 pm – 4 pm)
6 bells 11-1-11 in F[#]

All Saints Ruskington are advertising the Central Branch Practice with locals being encouraged to visit the Church to hear and see the bells being rung. This is an opportunity to promote ringing, raise interest and maybe find new recruits. Please come and help All Saints, Ruskington raise funds to cover the costs of their refurbishment of the bells.

Please bring a face covering.

Social distancing and mask wearing is encouraged within the Church. We will supply hand sanitiser to use during the Practice; and any face masks for those having forgotten their own.

We request that you don't consider attending if you have, or develop, any covid symptoms.

Please bring your own refreshments if you wish to.

Toilets are available.

The Branch Committee warmly welcomes you there...and our thanks to the Ruskington Ringers and Church officials for allowing us to ring at their tower.

Best wishes from the
Central Branch Committee
