**by late Thursday evening 9<sup>th</sup> September**, please.

We request that you don't consider attending if you have, or develop, any covid symptoms. It would be desirable if you have had a negative Lateral Flow test a day or two before the 11th.

The Church requires that face coverings must be worn at all times within the building. We will supply hand sanitiser to use during the Practice; and any face masks for those having forgotten their own!

Toilets are available.

The Branch Committee warmly welcomes you there...and our thanks to the Sleaford Ringers and Church officials for allowing us to ring at their tower.
