Joint eight bell practice with Northern Branch

Ringling starts at 3.00 pm at St. James' church, Westgate, Louth LN11 9YE

The church cafe and toilets will be open to the public until 4pm. After that we can run the cafe ourselves.

The ringing chamber is accessed by 120 steps, so please take it easy going up and coming down the ladder into the chamber.

There is disabled parking alongside the church or in the vicarage garden but otherwise there is parking either on Bridge Street (about 50m north of St.James) or on St. Marys Lane (150m north).

If you are planning to come please RSVP to me (Sue Stevenson) on the email address below for planning and catering purposes asap. Thank you.
