

WEST LINDSEY BRANCH – YOUNG RINGERS’ DAY
Saturday, 2nd January 2010

On Saturday, 2nd January, nineteen young ringers from the West Lindsey Branch and four friends from the Northern Branch met at Winterton Church for an hour of ringing. This was the first time some of our newest young ringers had met other young people from local towers, but many others have been enjoying such events for several years. After the ringing it was a tight squeeze as everyone, including several adult helpers, fitted into the church room for a packed lunch.

Then it was time to head over the Humber Bridge to Hull Arena for the main event of the day, two hours of ice-skating.

Tea had been arranged at a local pub restaurant. While we were waiting for our meals it began to snow heavily, so the day ended with snow ball fights in the car park. Thank you to everyone who provided transport and helped on the day.

Joy Till – Messingham
